MAMBA LIGHT

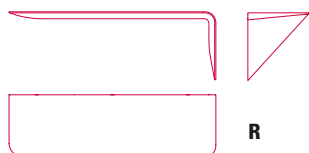

Designed by Victor Vasilev

Shelf and/or wall-mounted desk. The minimal form and tapered thickness create a product with a unique, highly iconic design. It's an "accent" that can interact spontaneously with its surroundings and be used in many different ways.

SHELF

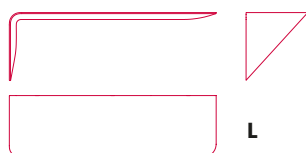

The shelf is in medium density fibreboard with varying thicknesses and moulded into a curve. Finish: matt lacquered white, green, orange, avio blue, sand, mustard yellow and anthracite grey. It is attached to the wall with a bracket.
