ROBIN

Designed by Bruno Fattorini, Robin Rizzini

Robin by Metrica - design Bruno Fattorini, Robin Rizzini.

A table characterized by monochromatic finish, rounded corners, round legs and a cement finish: natural or anthracite grey.

The attractive hand finished application creates tops in a variety of finishes and colours. Thanks to this feature, each table becomes a unique, handcrafted product.

TABLETOPS

The 30 mm thick tabletop consists of a composite panel with inner steel frame and a resin honeycomb core coated on both sides with aluminium foil. The panel is high pressure laminate coated with cement.

LEGS

The legs are made of steel tube in dia.30 mm with structural tie with a coating of cement.

DIMENSIONS

Rectangular tables in 13 size options and square tables in 4 size options. Table height 73 cm.
