## ARPA LOW TABLE

Designed by Ramón Esteve

INDOOR AND OUTDOOR LOW TABLE

As its name implies, ARPA Collection is inspired by the harp, one of the most beautiful and mesmerizing musical instruments. Unlike the meticulous work involved in manufacturing a harp, in designing this collection, rigorous paring down was applied, resolving each piece with the least possible number of elements. Designed to be timeless, ARPA aims to become an icon, not only for aesthetical reasons, but also for its functionality and comfort.

### STRUCTURE AND TOP
