LA TABLE BASSE

Designed by Xavier Lust

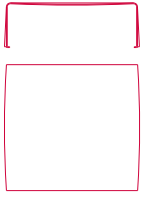

As La Grande Table and Le Banc, La Table Basse, a small table that completes the range, is created with a 6 mm aluminium sheet, curved, and painted.

The longitudinal and transversal curvatures of the table, obtained by the processing of the aluminium sheet, are an integral part of the identity of the coffee table.

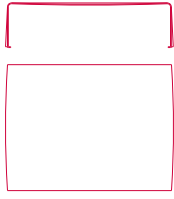

Available in two neutral finishes, matt white and matt aluminium, it fits into any outdoor living space, featuring its contemporary lines.

The coffee table is available in two different dimensions: L94 D90 H27 and L125 D90 H27.
